Hyderabad, Telangana | 7330640225 | rohithpandiri2000@gmail.com

Portfolio: <https://rohithkumarpandiri-afk.github.io/>

PROFESSIONAL SUMMARY

Detail-oriented AR Billing & Financial Operations professional with 4 years of experience supporting U.S. billing operations, invoice processing, financial data validation, documentation review, and stakeholder coordination. Experienced in Oracle ERP, advanced Microsoft Excel, billing audits, reconciliation, aging follow-up, and process compliance. Known for accuracy, ownership, timely execution, and effective collaboration across Operations, Payroll, Customer Service, and branch teams.

PROFESSIONAL EXPERIENCE

Associate II – AR Billing & Financial Operations | Clean Harbors

Oct 2022 – Present

- Process billing requests for multiple U.S. branches, ensuring accurate and timely invoice completion within agreed SLAs.
- Review field documents and supporting records to validate billing information before invoice generation.
- Coordinate with Operations, Payroll, Customer Service, and branch teams to resolve billing queries and discrepancies.
- Maintain vendor information and verify payroll data to support accurate billing and financial records.
- Manage the LRS process, including scheduling FedEx pickups for third-party waste management services.
- Perform CRD audits by reviewing transportation labels, shipment details, drum quantities, and job records.
- Monitor pending billing items and support efforts to reduce unbilled aging.
- Support month-end billing activities, reconciliation, reporting, and follow-up on outstanding items.
- Respond to branch emails and billing requests with a focus on accuracy, turnaround time, and clear communication.
- Support onboarding and training of new team members and contribute to cross-training and knowledge sharing.
- Follow company policies, process updates, and SLA requirements while maintaining a high standard of quality.
